Where is the play? 1st Base

Why? There is no one else on base, so the only out to make is at 1st base.

Rules to Click9 defense

#1 Stop all base runners

#2 Make the play

#3 Play a base ahead on routine (normal) plays, on an Error (drop ball or bobbled ball) we play 2 bases ahead of the runner!

#4 Catch ALL FLY BALLS!!!!

Where is the play? 1st Base

#3 Play a base ahead on routine (normal) plays, on an Error (drop ball or bobbled ball) we play 2 bases ahead of the runner!

#4 Catch ALL FLY BALLS!!!!

Where is the play? 2nd Base

Why? There is a player on 1st Base, so the play moves to a base ahead of the player on 1st base. HOWEVER, if the ball is kicked to 1st base make the play at 1st Base an RUN THE BALL across the field to stop the player heading to 2nd Base from going to 3rd base!

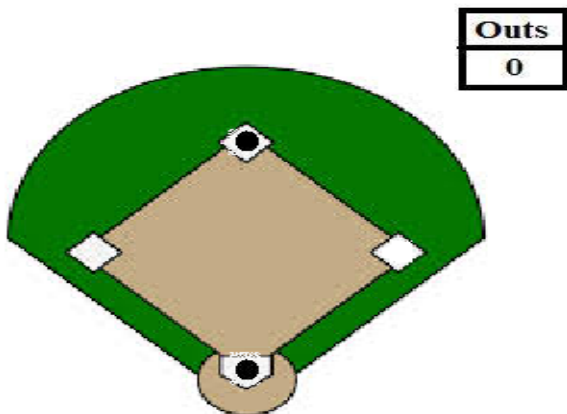

Where is the play? 2nd Base

Why? There is a player on 1st Base, so the play moves to a base ahead of the player on 1st base. **HOWEVER**, if the ball is kicked to 1st base make the play at 1st Base and **RUN THE BALL** across the field to stop the player heading to 2nd Base from going to 3rd base!

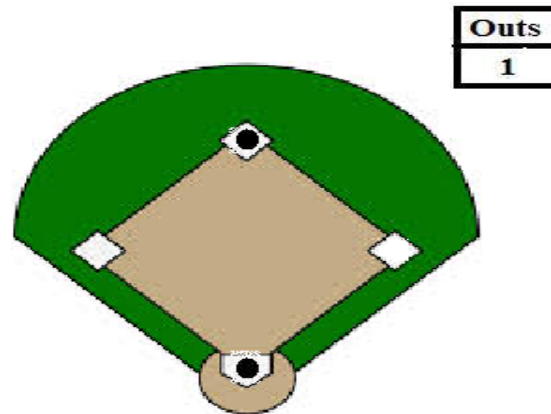

Where is the play? 2nd Base

Why? There is a player on 1st Base, so the play moves to a base ahead of the player on 1st base. **HOWEVER**, if the ball is kicked to 1st base make the play at 1st Base! Inning is over!!!

Where is the play? 3rd Base

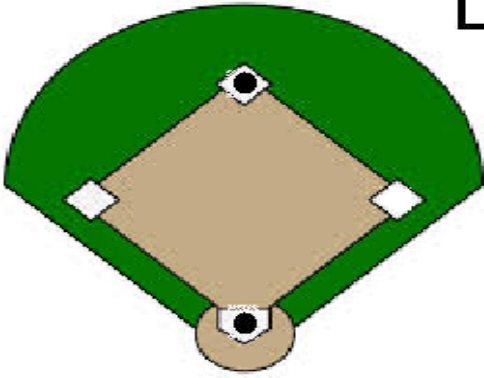

Why? There is a player on 2nd base so we stop that player from going to 3rd base first! **HOWEVER**, if the ball is kicked toward 1st base we make the play and **RUN THE BALL** across the field to stop the player from running home!

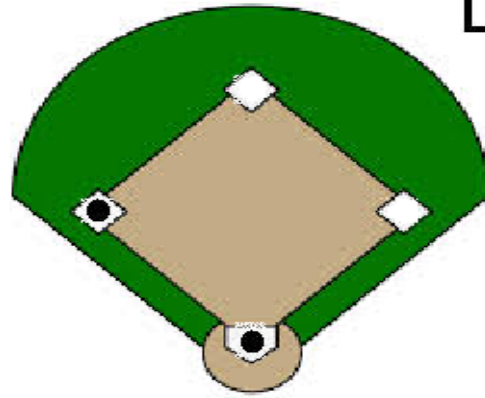

Where is the play? 3rd Base

Why? There is a player on 2nd base so we stop that player from going to 3rd base first! **HOWEVER**, if the ball is kicked toward 1st base we make the play and **RUN THE BALL** across the field to stop the player from running home!

Where is the play? 3rd Base

Why? There is a player on 2nd base so we stop that player from going to 3rd base first! **HOWEVER**, if the ball is kicked toward 1st base we make the play! Inning is over!!!

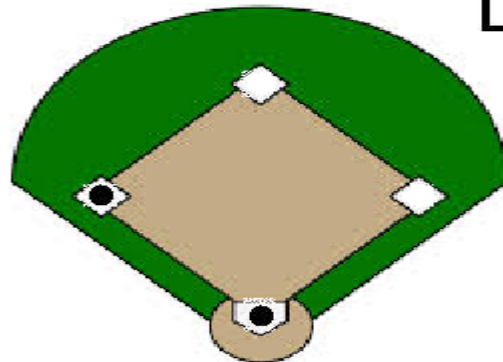

Where is the play? Home

Why? There is a runner on 3rd Base all efforts are to get the ball to Home plate and let the kicker take 1st or 2nd Base. **DO NOT BE TEMPTED** to throw the ball to 2nd Base. Also **RUN THE BALL** towards home to control the runner and then run it to the pitcher!!!

Where is the play? 3rd Base

Why? There are players on 1st and 2nd Base so there is Force Out (The runner must run to that base) at 3rd Base, so we are making an and keeping a run from scoring. HOWEVER, if the ball is kicked to 1st Base get the out and RUN THE BALL TO HOME PLATE to control runner on 3rd base.

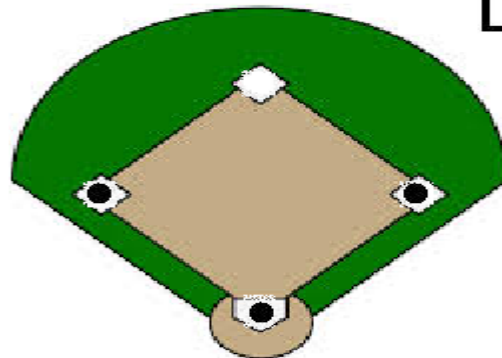

Where is the play? 3rd Base

Why? There are players on 1st and 2nd Base so there is Force Out (The runner must run to that base) at 3rd Base, so we are making an and keeping a run from scoring. HOWEVER, if the ball is kicked to 1st Base get the out and RUN THE BALL TO HOME PLATE to control runner on 3rd base.

Where is the play? Home

Why? The bases are **LOADED**, which means that every player **MUST** run to the next base. So every base is a force out, but the most important player is the one on 3rd base so we must protect Home plate!!! **HOWEVER**, if the ball is kicked to 1st Base we get the out and the **RUN THE BALL** to Home plate!!!
